

THE UNIVERSITY OF MICHIGAN  
REGENTS COMMUNICATION

P1340

ITEM FOR INFORMATION

Subject: School of Dentistry  
Kellogg Building Expansion and Renovation

Background:

At the July 1997 meeting, the Regents approved the revised scope, design, and budget for the Kellogg Building Expansion and Renovation Project, and authorized issuing the project for bids and awarding a construction contract, provided the project remained within the budget.

Construction bids were received on June 16, 1998, with John M. Olson Company of St. Clair Shores, being the lowest responsive bidder (list attached). The total budget, which includes construction, equipment and furniture, UM/professional fees, and contingency, remains as previously authorized at \$12,670,000. Funding will be provided from private gifts and the School of Dentistry. The construction has begun and will be completed by the end of 1999.

Respectfully submitted,

Robert Kasdin  
Executive Vice President

July 1998
