

The University of Michigan
Ann Arbor, Michigan

NOTICE OF INTENT TO EMPLOY A CONSTRUCTION MANAGER

The University of Michigan is evaluating the potential of utilizing construction management services on the following major project:

**Michigan Union Renovation
AEC Project Number P0007758**

Firms interested in being evaluated for consideration are required to submit qualifications. Interested CM firms must respond to the requirements included in the project's *Qualification Statement Requirements for Construction Management Services*, available for download at the UM-AEC website:

<http://www.umaec.umich.edu/for-vendors/advertisements/>

The Regents of the University of Michigan reserve the right to reject any and all applicants and may stop the selection process for this project at any time.

QUALIFICATION DEADLINE:

Ten (10) copies of your firm's Qualification Statement for CM Services are due no later than **2:00 PM EST, Monday, February 29, 2016** at the location provided in the requirements document.
