

The University of Michigan
Ann Arbor, Michigan

NOTICE OF INTENT TO EMPLOY A CONSTRUCTION MANAGER

The University of Michigan is evaluating the potential of utilizing construction management services on the following major project:

**W. K. Kellogg Institute and Dental Building Expansion and Renovation
U-M Project Number P00012987**

Firms interested in being evaluated for consideration are required to submit qualifications. Interested CM firms must respond to the requirements included in the project's *Qualification Statement Requirements for Construction Management Services*, available for download at the UM-AEC website:

<http://www.umaec.umich.edu/for-vendors/bids-proposals/>

The University of Michigan reserves the right to reject any and all applicants and may stop the selection process for this project at any time.

QUALIFICATION DEADLINE:

Nine (9) hard copies of your firm's Qualification Statement for Construction Management Services and one (1) electronic version are due no later than **2:00 PM EDT, May 17, 2017** at the location provided in the requirements document.
