

THE UNIVERSITY OF MICHIGAN  
REGENTS COMMUNICATION

ACTION REQUEST

Subject: North Campus  
Road Repairs

Action Requested: Approval to Proceed with Project

Background:

Most of the North Campus roads were last improved and paved in the late 1960's and early 1970's. Some roads have since been rebuilt but many are now in need of repair. This project will rebuild sections of Murfin, Bates, Bishop, Beal and Hubbard Roads.

The project is estimated to cost \$830,000 with funding from funds on hand. Construction will begin in the Spring and be complete by Fall 1999.

We recommend the Regents approve the project as described.

Respectfully submitted,

Robert Kasdin  
Executive Vice President
