

The University of Michigan  
Ann Arbor, Michigan

**NOTICE OF INTENT TO EMPLOY A CONSTRUCTION MANAGER**

The University of Michigan is evaluating the potential of utilizing construction management (CM) services on the following major project:

**New Building for the College of Pharmacy Project  
AEC Project Number P00009923**

Firms interested in being evaluated for consideration are required to submit qualifications. Interested CM firms must respond to the requirements included in the project's *Qualification Statement Requirements for Construction Management Services*, available for download at the UM-AEC website:

<http://www.umaec.umich.edu/for-vendors/bids-proposals/>

The University of Michigan reserves the right to reject any and all applicants and may stop the selection process for this project at any time.

**QUALIFICATION DEADLINE:**

Ten (10) hard copies of your firm's Qualification Statement for Construction Management Services and one (1) electronic version are due no later than **2:00 PM, October 31, 2019** at the location provided in the requirements document.
