P00015773 – MSRB2 Dock 6 Improvements

In order to comply with COVID-19 guidance issued by the State of Michigan (www.michigan.gov/coronavirus) and U-M leadership (<https://coronavirus.umich.edu>), the following modifications to the pre-bid conference for the above-referenced AEC project are being implemented:

- Attendance is limited to one representative per company; use the following link to check in prior to arrival - <https://guest.responsiblue.umich.edu/>. If a follow up site tour is requested, such as for subcontractors, it will get scheduled separately.
 - It may be necessary to split into separate smaller groups while touring the facility indoors to achieve proper physical distancing. If this occurs then no questions will be answered during this portion of the meeting. If requested, all attendees will get invited to a follow up video conference meeting to review questions & answers resulting from the site tour.
 - Contact the U-M Project Manager (Andrew Smith, 586-354-4192) with questions or concerns regarding this site tour. All doors are locked and require card access.
 - All participants are required to comply with the [U-M Guidance on Face Covering Usage](#)
