Please submit your Labor Rates and all required back-up to the AEC Cost Estimator, John Minuth, within 14 calendar days after receiving your contract.

First, download the latest Labor Rate Calculation Sheet (LRCS), [Rev 04/24/2017], at the AEC website [<u>AEC Website: Contractor Links</u>]. Also available at this site is the "Contractors' Quotation Sheet" (CQS), on which any and all quotations for extra work must be submitted.

Second, read the "Instructions" tab carefully and follow them explicitly. Any questions should be directed to John Minuth, AEC Cost Estimator, at (734) 763-3317 or [minjohn@umich.edu]

Third, the following documents must be included with your Labor Rate Submittal and be e-mailed together, directly to the Cost Estimator:

- One Excel "LRCS" workbook <u>for each of the trades being submitted</u> for approval. Filling-out the Journeyman Sheet will populate many cells on the other tabs of this workbook. Submit an ENTIRE EXCEL WORKBOOK, in ".xlsx" format, for each trade. <u>PDF's OF THE WORKBOOK PAGES WILL BE REJECTED</u>.
- An un-protected PDF copy of the corresponding Union Local wage rate breakdown for each submitted trade. If "Prevailing Wages" are being submitted, provide PDF copies of the source document from the State of Michigan Department of Licensing and Regulatory Affairs (LARA). <u>Please indicate the applicable rate groupings by check marks and/or circling the correct rates if there are multiple categories on the back-up document</u>. When entering the "CRAFT/TRADE", utilize a complete description, i.e. "Carpenter - CA687Z2" or "Carpenter – Zone1" or "Ironworker – Structural".
- 3. An un-protected PDF copy of company's current Workers' Compensation Policy Information form, which includes the "Workers' Comp Class Codes" and their affiliated "Rates of Remuneration per \$100" and a listing of all applicable discounts and additional costs related to the submitted trades. Two of the strategic values required for the SUTA calculation are the Manual (undiscounted) Premium and the Total Estimated (net) Annual Premium.
- 4. An un-protected PDF copy of the <u>Michigan</u> "Employer's Quarterly Tax Report" (forms UIA 1028 or UIA MiWAM) for each quarter of the previous year (2016).
- 5. A summary of the total hours for the previous year (2016) including hourly and salaried workers. This document can be in the form of a payroll report or a MIOSHA Form 300a.

Once your Labor Rates have been approved, enter the approved Labor Rates in the Contractors' Quotation Sheet on the tab entitled "1 Approved Labor Rate Summary". Once this is done, the CQS document can be saved as a "MASTER" copy until the expiration date of those Labor Rates.
