A Fixed Limit of Construction Cost **(FLCC)** is hereby established in accordance with Agreement Section 2.10.7 for \$\_\_\_\_\_.

DESCRIPTION	Amount
Construction Base (Trades & Supply Contracts)	\$
General Conditions Costs	\$

Construction Manager's Fee (LUMP SUM) Calculated in accordance with Sections 2.10.4 and 8.2 of the Agreement, including costs of all contractually required insurance, personnel vehicle allowances, parking and transportation to/from Project Site incurred by the Construction Manager. In accordance with Section 3.8.7 of the Agreement, bids resulting in increases to the Construction Subtotal will not be cause for adjustments to the Construction Manager's Fee, except for resulting reimbursable General Liability Insurance premium adjustments.	\$

FIXED LIMIT OF CONSTRUCTION COST	\$

The components of this Fixed Limit of Construction Cost will be tracked by the Construction Manager via the U-M *Construction Cost Control Summary* (*CCCS*), in the form provided by Owner in accordance with Section 1.3.3 of the Standard General Conditions, beginning with the first Schematic Design estimate, and the Construction Manager shall issue monthly reports as to compliance. In addition, Bid Release Recommendations and Award Recommendations shall include an updated CCCS report as of the date of Recommendation submittals.

The Guaranteed Maximum Price (GMP) will be submitted in accordance with Part 7 of the Agreement.

### 4. Pre-Construction Phase Services (Section 3.8 of Agreement)

The Construction Manager shall prepare and update detailed cost estimates in accordance with Section 3.8 as the Design Professional progresses with the preparation of the Schematic, Design Development and Construction Documents for each document package as detailed in the Agreement.

In addition, these detailed costs estimates although prepared in the format of CSI division and subdivision, shall also be presented to the Owner in the above listed document packages and also subdivided in the Construction Manager bid package format prior to going out for bid with the first bid package, and shall comply with the Fixed Limit of Construction Cost included herein and with each separate component of the Fixed Limit of Construction Cost.

In accordance with Section 3.8.4, the Construction Manager shall promptly advise the Owner and the Design Professional if there are indications that the Fixed Limit of Construction Cost will not be met and make recommendations in accordance with Value Engineering procedures to reduce excess costs as detailed in Section 3.5.

## 5. **Payment to the Construction Manager** (Part 8 of Agreement)

#### a) <u>Construction Manager's Fee for Construction Services</u>

<u>Payment</u> - The lump sum fee shall be billed monthly at the same percentage as the invoiced Construction Subtotal percent complete.

Samples of the *Invoice* and *Acknowledgment of Payment* forms are provided by Owner in accordance with Section 1.3.3 of the Standard General Conditions.

<u>Construction Services CM Fee</u> - The Construction Manager's Fee is a lump sum fee of <u>\_\_\_\_\_\_</u>. In accordance with Section 3.8.7 of the Agreement, bids resulting in increases to the Construction Subtotal will not be cause for adjustments to the Construction Manager's Fee, except for resulting reimbursable General Liability Insurance premium adjustments.

In accordance with Sections 2.10.4 and 8.2 of the Agreement, the Lump Sum Fee includes the cost of all contractually required insurance, personnel vehicle allowances, parking and transportation to/from the Project Site incurred by the Construction Manager

The lump sum fee also includes an allowance for fee ("Fee Allowance") of 10% of the cost of all Allowable Change Orders.

<u>Allowable Change Orders</u> are Change Orders issued for changes in the work during the construction phase over and above the Construction Subtotal (which is Construction Base plus General Conditions, excluding any costs in the General Conditions for any Construction Manger's employees); provided that (a) notwithstanding anything in the Contract Documents to the contrary, the Construction Manager shall recover no fee on allowable changes funded from the Construction Manager's Contingency, and (b) no fee is allowed nor is included in the Fee Allowance for any Change Orders issued, or payments made, in satisfaction and resolution of claims or disputes.

In accordance with Section 8.2, the Construction Manager's Fee for allowable changes in the Work beyond the Fee Allowance shall be calculated as \_\_\_\_% of the cost of the applicable Change Order(s).

Any additional fee for allowable changes shall be calculated at Substantial Completion, not with each individual Change Order, and shall be billed when the final invoice is submitted.

<u>Calculation of Total Amount of Change Orders included in Fee Allowance for Allowable Change</u> <u>Orders</u> - The total amount of Change Order costs that is added to the construction subtotal and is covered within the CM lump sum fee of \$\_\_\_\_\_ under the Fee Allowance is to be calculated by utilizing the FLCC Construction Subtotal listed in this SOPD or the Final FLCC Construction subtotal based on awards made, whichever is greater.

b) <u>Construction Manager's Personnel Costs</u> (Section 4.6 of the Agreement)

Pre-Construction Personnel (Lump Sum) As identified in the Staffing Plan, attached as "Exhibit A".	\$
Construction Personnel (Lump Sum)	\$

Construction Personnel (Lump Sum) As identified in the Staffing Plan, attached as "Exhibit A".

All personnel with an individual name (vs only a position title) listed in the Staffing Plan as indicated in "Exhibit A" are defined as Key People in accordance with Sections 4.6.1.1 and 4.6.1.2 of the Agreement.

The Lump Sum Pre-Construction and Construction Personnel amount shall be billed according to the following schedule:

	2021	2022	2023	2024	2025

The *Staffing Plan* attached as "Exhibit A" (in the form provided by Owner in accordance with Section 1.3.3 of the Standard General Conditions) is the basis of the Lump Sum Pre-Construction and Construction Personnel costs set forth above. In accordance with Section 4.6 of the Agreement, this exhibit does not excuse the Construction Manager from providing the necessary personnel required for the Construction Manager to perform its services detailed in the Agreement and meeting the FLCC or the GMP and schedule requirements. Therefore, if the Construction Manager requires additional personnel to perform these services, such personnel shall be added without an increase to the FLCC or the GMP, unless such increase in personnel is required due to circumstances detailed in Section 2.10.3.1.

For any additional Construction Personnel required due to Owner's changes, in accordance with Section 2.10.3 of the Agreement, the method of compensation shall be a calculation method as described in Section 2.10.3.2(a).

### c) General Conditions Costs

"Exhibit B", attached hereto, itemizes General Conditions Costs that shall be allowed for the Project.

Note: Travel and subsistence expenses incurred by the Construction Manager's personnel while traveling away from the Project Site in discharge of duties connected with the Work are reimbursable to the extent that they are previously authorized in writing by the Owner and executed in accordance with the Owner's "<u>AEC Reimbursement Expense Guidelines</u>" (available at <u>http://www.umaec.umich.edu/for.archs/guidelines/Professional-Services-Reimbursement-Expense-Guidelines.pdf</u>), and in no case shall any reimbursement include markup or exceed the limits set forth therein.

## 6. Liquidated Damages (Section 9.1 of Agreement)

The parties (i) agree that the damages which the Owner will sustain as a result of a failure to meet the date of Substantial Completion set forth in the Construction Schedule are difficult or impossible to determine with certainty and (ii) in good faith estimate and set forth as fair compensation (and not as a penalty) "Liquidated Damages" to be based upon the actual date Substantial Completion is achieved, as follows:

Maximum = 25% of Construction Manager's Fee

Daily Reduction =  $\frac{Maximum}{100}$ 

The amount of reduction per day shall be\_\_\_\_\_(\$\_\_\_\_). The total liquidated damages shall in no event exceed a maximum of\_\_\_\_\_(\$\_\_\_\_).

The sum of all the liquidated damages combined, imposed by the Construction Manager upon all the Trade Contractors combined, may not exceed the total amount included above.

### U. S. TREASURY DEPARTMENT INTERNAL REVENUE SERVICE WASHINGTON 25, D. C.

OCT 4 1961

TIREEDIS-JN

The Regents of the University of Michigan 500 South State Street Ann Arbor, Michigan

Gentlemen:

Consideration has been given to your application for examption from Federal income tax under section 501(c)(3) of the Internal Revenue Code of 1954.

Our records show that you were held to be exampt under section 101(6) of the Revenues Act of 1938 and the corresponding provisions of prior revenue acts, by a ruling dated December 1, 1939. A ruling of Angust 12, 1943, modified the ruling of December 1, 1939, and held you to be exampt from Federal income tax as a wholly-owned instrumentality of the State of Michigan.

You indicate that the reason you are applying for exemption under section 501(c)(3) of the Code is that your employees desire to avail thanselves of the tax treatment provided under section 403(b) of the Code.

Ton were constituted a body corporate by specific provision of Article II, Section 4, of the Constitution of the State of Michigan of 1908, to operate the University of Michigan. Your authority is derived from that portion of Section 5 of the said Article II which states that the Board of Regents shall have the general supervision of the university and the direction and control of all expenditures from the university funds.

After careful consideration of all the evidence presented, including the provisions of the law under which you operate, it is concluded that you are an instrumentality of the State of Michigan, and that you are also exampt under section 501(c)(3) of the Code. Since you are exampt under section 501(c)(3), section 403(b) of the Code is applicable to annuity contracts purchased by you for your employees, provided the contracts meet the conditions of the latter section. This ruling modifies our ruling of August 12, 1983.
