U. S. TREASURY DEPARTMENT INTERNAL REVENUE SERVICE WASHINGTON 25, D. C.

OCT 4 1961

TIREEDIS-JN

The Regents of the University of Michigan 500 South State Street Ann Arbor, Michigan

Gentlemen:

Consideration has been given to your application for examption from Federal income tax under section 501(c)(3) of the Internal Revenue Code of 1954.

Our records show that you were held to be exampt under section 101(6) of the Revenues Act of 1938 and the corresponding provisions of prior revenue acts, by a ruling dated December 1, 1939. A ruling of Angust 12, 1943, modified the ruling of December 1, 1939, and held you to be exampt from Federal income tax as a wholly-owned instrumentality of the State of Michigan.

You indicate that the reason you are applying for exemption under section 501(c)(3) of the Code is that your employees desire to avail thanselves of the tax treatment provided under section 403(b) of the Code.

Ton were constituted a body corporate by specific provision of Article II, Section 4, of the Constitution of the State of Michigan of 1908, to operate the University of Michigan. Your authority is derived from that portion of Section 5 of the said Article II which states that the Board of Regents shall have the general supervision of the university and the direction and control of all expenditures from the university funds.

After careful consideration of all the evidence presented, including the provisions of the law under which you operate, it is concluded that you are an instrumentality of the State of Michigan, and that you are also exampt under section 501(c)(3) of the Code. Since you are exampt under section 501(c)(3), section 403(b) of the Code is applicable to annuity contracts purchased by you for your employees, provided the contracts meet the conditions of the latter section. This ruling modifies our ruling of August 12, 1983.
