The University of Michigan
Ann Arbor, Michigan

NOTICE OF INTENT TO EMPLOY A CONSTRUCTION MANAGER

The University of Michigan is evaluating the potential of utilizing construction management services on the following project, if and when approved by the Regents of the University of Michigan:

Library Repository Facility
U-M Project # P00024963

Firms interested in being evaluated for consideration are required to contact Facilities Procurement, Senior Procurement Agents, William Erwin at wierwin@umich.edu and Austin Anderson at ausand@umich.edu. Interested CM firms must respond to the requirements included in the project's *Qualification Statement Requirements for Construction Management Services.*

The University of Michigan reserves the right to reject any and all applicants and may stop the selection process for this project at any time.

QUALIFICATION DEADLINE:
An electronic version of your firm's Qualification Statement Requirements for Construction Management Services is due no later than **2:00 PM, November 13, 2026** at the location provided in the requirements document.
